

Discovery Place Preschool 2020 Summer Camp

We are now enrolling families for our 2020 summer camp. Currently enrolled families begin enrolling on March 5th. Enrollment for new families will begin on March 17th. We enroll student's ages 18 months up to 9 years old for summer camp. If you choose to enroll for our summer program, you must commit to the entire summer (June 2-August 13). This year, the preschool will operate on the following schedule and fee schedule:

June 2-25: Regular tuition rate (12 days)

June 30-July 30: Regular tuition rate. (12 days) **We have to close the preschool July 7-9 for Vacation Bible School, but July has 5 weeks, so we are still in session 12 days.

August 4-13: ½ of regular tuition rate (6 days)

Before submitting a registration form, please check in with our Director to see if there is space in the class your child would be in . Registration forms can be filled out and returned via email (Discoveryplace@christumcutah.org) or dropped off to the school Tuesday-Thursday from 8:45-9:15 AM or 12:15-12:30 PM. All *new* students need a registration form (found on our website) and an immunization record turned in before enrollment is finalized.

Summer camp registration requires a \$25 activity fee ALL students must pay to help cover some of the visitors and activities we will be doing. This fee is non-refundable and required in order to complete registration for the summer program.

. We only offer 3 days a week for summer camp. 1 and 2 day options will not be available for summer. Your child can still attend only on the days that you want them to attend, but we will still require all parents to pay the \$250 tuition rate for June, \$250 for July and \$125 for August. We understand that a few families still prefer two days a week. However, our numbers are sometimes very low on Wednesdays in summer and we need to ensure we are functioning at full capacity in order to continue running our summer camp program. If this presents a hardship/problem for your family, please speak with Lori. We may be able to work out a discount in trade for volunteering in the classroom. Additionally, anyone interested in receiving a tuition discount for occasionally substitute teaching for us during summer can talk to me. There will be a 5% tuition discount for siblings this summer. We will also offer a 3% discount for tuition that is paid in full (June, July and August in one payment) by June 10th.

We are looking forward to a fun-filled summer camp full of water days, sunny weather, special visitors and lots of art, learning and fun experiments!
